FALL 2018 Work COMPLETED

Contractors for the Wisconsin Department of Transportation have completed 2018 scheduled work related to the rehabilitation of WIS 164 in Washington County. The initial phase of deep marsh excavation and backfill between Pioneer Road and County E was completed today, October 18th.

WIS 164 will be reopened today to through traffic between Pioneer Road and County E.

Department contractors will mobilize in early spring 2019 to begin construction operations between County Q and WIS 60.

LATE WINTER PUBLIC MEETING

WisDOT will be scheduling a late winter resident/business meeting to share 2019 construction schedule and impacts.
